The method for obtaining a grant from us this year is as follows:

- Complete a grant application provided by us. The more complete this application is the more likely your chance of being considered for a grant.
- If the application is hand delivered, it must be given to a member of the Grant Committee or the Manager on Duty at the store.
- The envelope must specify “Attention: Grant Committee”
- The application must be received or delivered to Faith Hope and Charity no later than February 15, 2010. Applications received after this date will not be considered. No exceptions.
- The Board of Directors will receive recommendations from the Grant Committee at the March board meeting and will make decisions at that time. You will be notified in writing the results of your request.

If you have any questions about this process, contact our Business Manager, Jack Bearden.
